FROM THE DIRECTOR

Welcome to our 25th Annual Recital! We are so proud and excited to celebrate this milestone with you.

We remain committed to providing a safe, positive space where dancers can learn, grow, and thrive. For 25 years, we have been fortunate to be part of the Galesburg community. While the past several years have brought challenges, each one has strengthened us—proving that we are resilient, determined, and deeply dedicated to what we do. We are especially excited to celebrate this anniversary with fireworks, just as we did for our 20th year.

This year's theme highlights some of our favorite dances from the past 24 years. We have truly enjoyed revisiting these routines and reimagining them for today's dancers. One of the most special parts of this journey is now teaching the children of former students. Whenever possible, we've chosen songs that allow our current dancers to perform pieces originally danced by their mom or dad. How many do you remember?

Following the awards presentation, we will once again perform our encore piece, the Shim Sham Shimmy—this year with music! This tap routine first debuted in our 2009 recital and quickly became a favorite, earning its place as a tradition in our shows. The dance dates back to 1929, when it was originally performed by Leonard Reed and Willie Bryant as a comedic farm dance called the "Goofus," set to "Turkey in the Straw." As it evolved—most notably at the Shim Sham Club in New York—it took on new life, with added performers and signature shoulder movements, eventually becoming the Shim Sham Shimmy we know today.

Thank you to everyone who helps make All That Dance such a special and successful place. Each year, I am more proud of the dancers we have the privilege to teach and inspire. Thank you for trusting us with them.

Keep dancin',
Miss Lindsay

Special Thank You to:

My parents: None of this would be possible without your unconditional love and support (not to mention your artistic and engineering talents!)

Jessica: Words cannot begin to describe how much I appreciate you and everything you have done for me over the last TWENTY years. You are always there to help where you can, you're reliable, you're supportive, you're talented and most of all you're important. I'm very fortunate you've always got my back. Together, fueled by coffee, we can get through anything, and of that I'm certain.

Leslie: Thank you for always being there for whatever I need. Your ability to take charge and get things done is very much appreciated almost as much as your ability to keep me sane(ish)! #dorksonparade

Our dancers: You WOW me every day, keep me on my toes and make me smile!

Our volunteers: THANK YOU SO MUCH! This show wouldn't run smoothly if it wasn't for you!

Our ATD parents: Thank you for nurturing the love of dance within your children and allowing them to grow with us!
